nscr

Tinbergen Institute & NSCR

Amsterdam, September 26<sup>th</sup> – 27<sup>th</sup> 2019

This 11th workshop will continue the sequence of Economics of Crime workshops in Paris (2009), Bonn (2010), Torino (2011), Rotterdam (2012), Frankfurt (2013), Milan (2014), London (2015), Stockholm (2016), Philadelphia (2017) and Paris (2018).

It will be held at TI & NSCR in Amsterdam, The Netherlands on 26-27 September, 2019.

We aim to bring together researchers from both sides of the Atlantic to present and discuss their work, allowing for an in-depth interaction between those working on the empirical and theoretical analysis of crime and illegal behavior.

The workshop will consist of **10 to 12 contributed papers** and two **keynote lectures** to be given by **Imran Rasul (UCL)** and **Patrick Sharkey (NYU)**.

This year's theme will focus on **prevention of crime over the life cycle** but is not limited to this topic. Other suggested topics covered include the following:

- Judicial decisions
- Social prevention of crime and violence
- Early childhood interventions
- Evaluation of police crime reduction strategies
- Re-entry and rehabilitation interventions
- Guns/weapons (and related policies) and crime
- Social interactions, networks, and crime
- Crime and the labor markets
- Economic crises, poverty, inequality and crime

The workshop is generously funded by the **NWO** ([www.nwo.nl/en](http://www.nwo.nl/en)), **TI** ([www.tinbergen.nl](http://www.tinbergen.nl)), and the **NSCR** (<https://www.nscr.nl/en/>)

We invite researchers to submit a paper (in PDF) by sending an e-mail to [TWEC2019@gmail.com](mailto:TWEC2019@gmail.com). The **submission deadline is May 1<sup>st</sup>, 2019**.
